WIRELINE COMPETITION BUREAU SEEKS COMMENT ON PETITION OF 800 RESPONSE FOR DECLARATORY RELIEF OR FURTHER RULEMAKING

CC Docket No. 95-155
CC Docket No. 96-115

Comment Date: November 19, 2018
Reply Comment Date: December 3, 2018

By this Public Notice, the Wireline Competition Bureau (Bureau) seeks comment on a Petition seeking emergency declaratory relief, or a further rulemaking in the alternative (Petition), filed by 800 Response Information Services LLC (800 Response) on October 10, 2018.¹ In its Petition, 800 Response seeks relief under sections 202, 222, and 251 of the Communications Act of 1934, as amended,² to prohibit carriers from “block[ing] interconnection to their location platform for toll-free calls initiated on their networks, or to otherwise impose upon connecting carriers and providers of toll-free telephone service an obligation to obtain the consent of customers to use their location for purposes of routing their calls to a toll-free number.”³

The Petition references documents addressing related Customer Proprietary Network Information and toll free routing issues that the North American Numbering Council (NANC) Future of Numbering Working Group and the Alliance for Telecommunications Industry Solution (ATIS) SMS/800 Number Administration Committee previously and separately filed.⁴ The Bureau also seeks comment on the issues raised in the referenced NANC and ATIS documents. Although the Petition requests emergency action by October 19, 2018, the Bureau finds a longer comment period is necessary to allow the public adequate opportunity to evaluate and comment on the issues in question.

Pursuant to section 1.419 of the Commission’s rules, 47 CFR § 1.419, interested parties may file comments and reply comments on or before the dates indicated above. All filings should refer to CC Docket No. 95-155, and CC Docket No. 96-115. Filings must be addressed to the Commission’s Secretary, Office of the Secretary, Federal Communications Commission. Comments may be filed by paper or by using the Commission’s Electronic Comment Filing System (ECFS). *See Electronic Filing of Documents in Rulemaking Proceedings*, 63 FR 24121 (1998).

Proceedings 95-155 and 96-115 have been designated as a "permit-but-disclose" proceeding in accordance with the Commission's *ex parte* rules.⁵ Persons making *ex parte* presentations must file a copy of any written presentation or a memorandum summarizing any oral presentation within two business days after the presentation (unless a different deadline applicable to the Sunshine period applies). Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter's written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. Documents shown or given to Commission staff during *ex parte* meetings are deemed to be written *ex parte* presentations and must be filed consistent with rule 1.1206(b). In proceedings governed by rule 1.49(f) or for which the Commission has made available a method of electronic filing, written *ex parte* presentations and memoranda summarizing oral *ex parte* presentations, and all attachments thereto, must be filed through the electronic comment filing system available for that proceeding, and must be filed in their native format (e.g., .doc, .xml, .ppt, searchable .pdf). Participants in these proceedings should familiarize themselves with the Commission's *ex parte* rules.
